EmpireOne follows a five (5) day work week schedule, with two (2) rest days. The 2 rest days can fall on any day of the week but not necessarily on weekends. Rest days are scheduled at the discretion of your supervisor and may be suspended, as work requires. Changes in work schedules including rest days will be announced as far in advance as possible. Your normal hours of work will be 8 hours per day and a one hour lunch/dinner break daily. The shift will be as per the schedule shared with you by your supervisor, with an unpaid lunch/dinner break not exceeding 60 minutes. A Colleague will also be entitled to a 30 minutes paid break, which may be scheduled for 15 minutes on the first half and 15 minutes on the second half of the shift, provided that colleague have served a full day or 8-hour shift. Breaks are scheduled at the discretion of your supervisor and may be suspended, as work requires.

Also, EmpireOne follows a practice of shift working wherein the shift to be observed by a particular employee will be notified from time to time. Shift timings will be subject to change and will be decided as per client / organization /location requirements. An accurate record of attendance is important for payment purposes and for reasons of safety and security. There are various methods for recording attendance and you must follow the prescribed procedures of the company. A colleague must never record attendance for someone else nor allow anyone to do it on their behalf.

Colleagues are expected to take care of personal business outside normal working hours. Requests for time off for urgent personal reasons should be made to your manager and will be considered sympathetically.

Colleagues who are located at the premises of Company's clients are required to follow the normal office hours of the client, or such hours as requested by the client in consultation with the Company.

5.2 DRESS CODE

The Company's Dress Code is formulated keeping in mind the varying cultures of the global community in which it operates. The Code allows Colleagues to work comfortably in the workplace while projecting a positive professional image to clients and to the public. Business casual dress is the standard for this dress code.

Colleagues who are hosting or attending meeting with clients, vendors, or who are in another Company office should refrain from wearing casual attire, unless meeting attendees agree in advance to follow the casual business attire policy. Colleagues on Client site need to adhere to the dress code that is prevalent at the client site. This however, should be in line with the professional image of the Company.

No dress code can cover all contingencies so Colleagues must exercise a certain amount of judgment in their choice of clothing to wear to work. If you experience uncertainty about acceptable, professional business casual attire for work, please ask your Reporting Manager or your Human Resource representative. The immediate Reporting Manager shall be responsible to ensure that all Colleagues who report to him/her comply with the Dress Code Guidelines.

Please refer to the 'Dress Code Guidelines & Policy' for more information.

5.3 CAREER OPPORTUNITIES

The Company provides multiple career streams to provide opportunities of growth across the globe for Colleagues. Based on the business needs and exigencies of the company, an Colleague may be required to relocate to any other location / base location (including any other Country) either on a temporary or permanent basis. Advance notice will be given to an Colleague for the same and relocation expenses shall be provided to him/her as per the eligibility applicable under Company policy.

5.4 PERFORMANCE MANAGEMENT

The Company encourages continuous feedback. Colleague's reporting manager would evaluate Colleague's performance as per the applicable **Performance Management Policy** of the company.

Additional performance feedback may be given when necessary, at the discretion of management, to recognize extraordinary achievement, to facilitate communication between an Colleague and Reporting Manager, to correct performance deficiencies or in connection with a disciplinary matter.

5.5 PERIOD OF CONTINUOUS EMPLOYMENT

The starting date of a Colleague's employment will be the date on which Colleague's period of continuous employment begins with the Company. Any prior engagement with the company shall not be treated as period of continuous employment. Prior service will not be bridged with current employment.

5.6 BACKGROUND CHECKS AND HIRING PRACTICE

All applicants for employment with EmpireOne are required to present original NBI, police and Barangay Clearance documentation. Empire will actively pursue all applicants; however, due to the nature of our business, individuals with convictions will be thoroughly investigated and carefully considered before an offer of employment is extended.

A prior conviction will not necessarily disqualify an applicant for employment; however, EmpireOne may elect not to hire an individual if the conviction offense falls within the following parameters:

- relates to an act of violence, including assault and battery, carrying a concealed weapon or the destruction of property,
- relates to theft, fraud, embezzlement, misappropriation of funds, check writing, etc.,
- relates to use, possession, or distribution of illegal drugs, or
- relates to any form of sexual assault or offense.

Furthermore, a conviction occurring after employment may be grounds for termination. Where applicable, if any clearance or any other subsequent investigation discloses any misrepresentation on the application form or information indicating that the individual is not suited for employment with EmpireOne, the applicant will be refused employment, or, if already employed, may be terminated.

5.7 NEPOTISM

It is EmpireOne's policy to hire the best-qualified candidates, without regard to the candidate's relationship with EmpireOne colleagues. It is therefore necessary for EmpireOne to monitor the hiring and placement of employees who are related or are involved in relationships with other EmpireOne colleagues, due to the potential for conflicts of interest in the working environment.

5.7.1 NON-PLATONIC RELATIONSHIPS

At times, consensual romantic, sexual or non-platonic relationships between coworkers may occur. Such relationships between a supervisor and a colleague are strictly prohibited, even when there is no direct reporting responsibility. Similarly, EmpireOne prohibits such relationships between employees who are not in a direct subordinate relationship, but who are in a position of authority or trust, meaning effective supervision of the affected employee. If such relationships arise, the person in the supervising position is

required to disclose the relationship to the local Human Resources representative so that the appropriate action can be taken, such as a change in the responsibilities of the individuals involved, transfer of location or other appropriate action. Colleagues are not permitted to be in working relationships that, as determined by EmpireOne in its sole discretion, could create situations that unduly influence job performance or the performance of others. If no transfer or change is possible, one employee may be required to voluntarily terminate his/her employment. An employee who believes he/she has been penalized in terms of employment due to such a relationship (whether or not the relationship is disclosed) should contact the local Human Resources representative immediately.

5.7.2 FAMILY RELATIONSHIPS/CLOSE PERSONAL FRIENDS

Members of a colleague's family will be considered for employment on the basis of their qualifications. EmpireOne prohibits the direct supervisory relationship between family members or close personal friends. Therefore, a family member, roommate, close personal friends (in certain circumstances), or an individual who is currently involved in a non-platonic relationship with an EmpireOne colleague may not be hired or transferred where a reporting relationship is created or reasonably creates a conflict of interest, the appearance of a conflict of interest, or the perception of unfairness to other employees as determined by EmpireOne in its sole discretion. Depending on the circumstances, colleagues who become family members (through marriage, domestic partnerships or otherwise) may be prohibited from continuing in working relationships where a direct or indirect supervisory position or undue influence may occur. These situations should be reported to the Human Resources so that proper procedures can be followed. It also could be a conflict if an employee, on behalf of EmpireOne, interacts with another company in which a family member has a personal or financial interest. These situations must be reported to the employee's supervisor and the Chief Compliance Officer for guidance and approval as required by EmpireOne's Conflict of Interest Policy.

5.8 EXIT & SEPARATION

EmpireOne may terminate employment at any time for any authorized cause or any just cause, in accordance with company policy and applicable law. When EmpireOne initiates the termination of employment, it is considered involuntary.

A Colleague may terminate employment or voluntarily resign from employment at any time upon at least thirty (30) days prior notice. Failure to provide at least thirty (30) days prior notice may result in legal action.

Employee benefits are affected by employment termination. At the time of termination, all credited or vested benefits due and payable will be paid in accordance with company policies and applicable law.

- At the time of Separation, a Colleague is required to handover all company assets i.e. laptop, ID card, access card, cell phone & related accessories to **Compliance (Facilities & Admin)** representative
- Failure to do so will result in deductions (as applicable under the governing policies) at the time of full and final settlement
- Colleagues will need to ensure completion of all clearance formalities, payment of dues and settlement of all accounts, if any

Any exceptions to the above local hires shall be handled on a case to case basis.

4.8.1 RETURN OF COMPANY PROPERTY
