

BACKGROUND VERIFICATION CHECK POLICY

1. Purpose

EmpireOne BPO Solutions is committed to maintaining a safe, secure, and professional work environment. This policy establishes the guidelines for conducting background verification on prospective employees to validate the accuracy of information provided during the recruitment process.

The background check process aims to ensure that applicants meet the qualifications, integrity, and reliability standards required for employment, while respecting individual rights and ensuring compliance with the **Data Privacy Act of 2012** and other applicable Philippine laws.

2. Coverage

This policy applies to all applicants who have received a conditional offer of employment, including:

- Full-time employees
- Probationary employees
- Project-based employees
- Contractual employees

Employment shall remain conditional pending the completion and results of background verification, when applicable.

3. Scope of Background Verification

The Company may conduct reasonable, job-related, and proportionate background verification, which may include, but is not limited to:

3.1 Employment Verification

Verification of previous employment history, including:

- Employment dates
- Job title and role
- Nature of duties
- Reason for separation (if available)

BACKGROUND VERIFICATION CHECK POLICY

3.2 Educational Verification

Confirmation of declared educational attainment, certifications, licenses, or professional credentials, where relevant to the role.

3.3 Character or Professional Reference Check

Verification of professional conduct, work ethic, and performance through references provided by the applicant.

3.4 Identity Verification

Validation of identity through government-issued identification and supporting documents.

3.5 Additional Checks (When Applicable)

Depending on the nature of the role, client requirements, or business necessity, additional checks may be conducted, such as:

- Criminal record checks (subject to legal limitations)
- Credit background checks (for finance-related roles)
- Social media or public information review (limited to publicly available, job-relevant information)

All background checks shall be relevant, necessary, and proportionate to the role.

4. Applicant Consent and Authorization

In compliance with the **Data Privacy Act of 2012**, all applicants must provide **voluntary written consent** prior to the conduct of any background verification.

Applicants shall be informed of:

- The purpose of data collection
- The scope of verification
- How the information will be used and stored

Failure or refusal to provide consent may affect the applicant's eligibility for employment.

BACKGROUND VERIFICATION CHECK POLICY

5. Verification Process

Background checks may be conducted by the Human Resources Department or authorized third-party service providers, subject to confidentiality and data privacy obligations

Applicants are required to provide accurate, complete, and truthful information throughout the hiring process.

The Company reserves the right to verify information at any stage of employment when necessary.

6. Adjudication of Results

Results of background verification shall be evaluated based on:

- Relevance to the position
- Materiality of the findings
- Nature and severity of discrepancies

Not all discrepancies shall automatically disqualify an applicant. The Company shall assess each case fairly, reasonably, and on a case-to-case basis.

Applicants may be given the opportunity to explain or clarify findings, when appropriate.

7. Discrepancies and Misrepresentation

If background verification reveals material discrepancies, falsification, or deliberate misrepresentation, the Company reserves the right to:

- Withdraw the job offer prior to employment; or
- Initiate disciplinary action, up to and including termination, if discovered during employment

Such actions shall be carried out in accordance with company policies (including COCD) and due process requirements under Philippine labor laws

8. Confidentiality and Data Protection

All information obtained through the background verification process shall be treated as strictly confidential.

BACKGROUND VERIFICATION CHECK POLICY

The Company shall ensure that:

- Access is limited to authorized personnel only
- Data is used solely for employment-related purposes
- Information is stored securely and retained only as necessary

Processing of personal data shall be in accordance with the **Data Privacy Act of 2012** and internal data protection policies.

9. Client and Regulatory Compliance

Background checks may be required to comply with:

- Client security requirements
- Industry standards
- Data protection and confidentiality obligations

Failure to meet client-imposed background check requirements may result in:

- Non-endorsement to the account; or
- Withdrawal of employment offer or reassignment, where applicable

10. Timeline and Completion of Background Checks

Background verification may be conducted:

- Prior to onboarding; or
- During the probationary period, when necessary

The Company reserves the right to take appropriate action if adverse findings arise even after onboarding, subject to due process.

11. Non-Discrimination and Fairness

The Company shall ensure that background checks are conducted in a fair, consistent, and non-discriminatory manner.

No applicant shall be unfairly denied employment on the basis of irrelevant or legally protected characteristics.

BACKGROUND VERIFICATION CHECK POLICY

POLICY REVIEW

This policy will continue to be in force unless superseded by a revised policy. The company reserves the right to amend, abrogate, modify, rescind/ reinstate the entire policy or any part of it at any time.
